Carnival

TRADITIONAL

MIDWAY

A Carnival just isn't any fun without a "MIDWAY" full of games, rides, and cotton candy. But since fun is a prime objective of the C-MU Spring Carnival Scene, the "MIDWAY" is the main attraction of the week-end.

Participating groups begin work on their booths early in the Spring Semester, and by the time Carnival week-end arrives, they're ready to assemble some of the strangest, most creative, and utterly fascinating gadgetry -- all designed to stimulate, frustrate, amaze, and otherwise entertain the Carnival goer. In addition to the regular booths, there is a concession stand, and a battery of "thriller" Carnival Rides.

JUST FOR THE FUN OF IT

Faculty egg toss, Girl's Relays, and Frisbee Tourney on the cut; Paper Airplane Contest in the gym, and Kite Flying in the I M Field. Also: Picnic on the I M Field with volleyball, softball, frisbees, and free refreshments.

THIS YEAR'S

ARTS AND CRAFTS FESTIVAL

C-MU artists and craftists display their creations for potential buyers or just plain admirers.

Highlights

FAVORITES

SWEEPSTAKES

By far the most exciting event of the week-end is the running of the annual 'Sweepstakes' Buggy Races. The action is fast and the atmosphere is highly competitive as crack push teams speed their streamlined buggies around the Schenley course. The number of spectators runs well into four figures for the sometimes brisk spring mornings, covering the Tech and Frew Street sidewalks, and overflowing into the park.

LIVE ENTERTAINMENT

"Sea Train" in concert at the Carnegie Music Hall.

"Sorry Mutha's" at the Coffee House in the Skibo Wherret Room.

MIND EXPANSION

The transcendental experience that predates all of modern society is recreated in the form of a truly orgasmic fireworks display, performed by "Boom-Boom" Zambelli and Company.

INNOVATIONS

BIKE RALLY

The phenomenal rise in the number of campus cyclists makes itself felt in this new event of the Carnival Week-End.

Sweepstakes

PRELIMINARY HEATS

1	Sigma Alpha Epsilon	
	Delta Upsilon	
	Men's Dorm Council	
	Delta Tau Delta
